Introduction:

This Publication Scheme was adopted by the P&R Committee on 14th October 2019 and will be reviewed at least annually in order that it can be presented for re-adoption at a future P&R Committee meeting.

This Publication Scheme has been prepared in accordance with the requirements of the Information Commissioner. This Scheme commits Sedgefield Town Council to make information available to the public as part of its normal business activities. The information covered is included in the classes of information mentioned below, where this information is held by Sedgefield Town Council. Additional assistance is provided to the definition of these classes in sector specific guidance manuals issued by the Information Commissioner.

This Publications Scheme commits Sedgefield Town Council:

- to proactively publish or otherwise make available as a matter of routine, information, including environmental information, which is held by the Council and falls within the classifications below.
- to specify the information which is held by the Council and falls within the classifications below.
- to proactively publish or otherwise make available as a matter of routine, information in-line with the statements contained within this Scheme.

Version:	Adopted:	Officer Responsible:	Reviewed Date:
5.0	14.10.19	Jane Ayre, Town Clerk	Sept-2020

- to produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public.
- to review and update on a regular basis the information the Council makes available under this Scheme.
- to produce a schedule of any fees charged for access to information which is made proactively available.
- to make this Publication Scheme available to the public.

Classes of Information:

- **Who we are and what we do** – organisational information, constitutional and legal governance.
- **What we spend and how we spend it** – financial information relating to projected and actual income and expenditure, tendering, procurement and contracts.
- **What our priorities are and how we are doing** – strategy and performance information, plans, assessments, inspections and reviews.
- **How we make decisions** – policy proposals and decisions, decision making processes, internal criteria and procedures, consultations.

Version:	Adopted:	Officer Responsible:	Reviewed Date:
5.0	14.10.19	Jane Ayre, Town Clerk	Sept-2020

- **Our policies and procedures** – current written protocols for delivering our functions and responsibilities.
- **Lists and registers** – information held in registers required by law and other lists and registers relating to the functions of the Council.
- **The services we offer** – advice and guidance, booklets and leaflets, transactions and media releases. A description of the services offered.

Exclusions:

In some cases a class of information sets out a range of information which is excluded from publication. The classes of information will not generally include:

- Information the disclosure of which is prevented by law, or exempt under the Freedom of Information Act, or is otherwise properly considered to be protected from disclosure;
- Information in draft form;
- Information that is no longer readily available as it is contained in files that have been placed in archive storage, or is difficult to access for similar reasons.

Version:	Adopted:	Officer Responsible:	Reviewed Date:

Note: All commercially sensitive information e.g. quotations and tenders, loan documentation and insurance policies. With regard to quotations and tenders, this information is treated as confidential to ensure that the whole tender process is fair, i.e. if tender information is released to a third party prior to the end of the tender period those who initially submitted tenders could be undercut and/or unfairly disadvantaged.

Limitations:

In certain classes a limitation on the age of some documents has also been stipulated. For the avoidance of doubt this does not mean information beyond that date cannot be obtained, it simply indicates that it is not available as a matter of course within the Publication Scheme.
