## Snow Party S U C C E S S

Thank you to everyone involved in Sedgefield Snow Party 2017 which took place around the town on Saturday 2nd December 2017.

The event kicked off in Sedgefield Methodist Church with Hardwick Primary School's choir entertaining guests at their festive coffee morning. Then Santa and his elves made a stop at the newly-refurbished grotto in the Parish Hall's Fletcher Room, while stall holders gathered in both Ceddesfeld Hall and the Parish Hall to sell ornaments, accessories and sweet treats. Later, residents met in St Edmund's Church for Christmas carols and the event concluded on the village green with the snowman parade, a performance from Sedgefield Community College's band and the Christmas lights raffle. Congratulations to Isabel Williams who won the honour of switching on the town's Christmas lights on the trees around the centre of the green and the Christmas tree itself, which was kindly donated and erected by the Rotary Club of Sedgefield. Isabel also received a goody-bag which included tickets to see

a performance of 'The Pied Piper', kindly donated by Sedgefield Players. We hope that you all enjoyed the festivities!

## MAYOR'S UPDATE/ MAYOR'S BALL 2018

I have been kept very busy during the last few months, which is a reflection of how much goes on in our vibrant community.

Whether making very tough decisions on which was the best Halloween Howler, supporting the launch of the new dementia café at the fire station, or hosting guests at the annual civic carol service, Elizabeth and I have always had something to look forward to.

In November, we also managed to find time to host a fundraising lunch in the Parish Hall. We are very grateful to everyone who attended, helped, sponsored and provided prizes for the event, which raised £2,004 for the Great North Air Ambulance and the Macular Society, as well as other local good causes.

We are now making final arrangements for our big fundraising finale, the annual Mayor's Charity Ball, which will be held at Hardwick Hall Hotel on Friday 23rd February. With entertainment by the fantastic Gastric Band and attractions such as a tombola and auction, the event is shaping up very nicely. Tickets for this black tie ball are available now from the town council offices. Elizabeth and I look forward to welcoming you on the night.

## Carol Service

The annual civic Christmas carol service on Thursday 7th December 2017 saw residents of all ages and civic guests from around the region join together in St Edmund's Church.

The service was led by lay reader Michael King, with excellent contributions from Sedgefield Methodist Church, St John Fisher RC Church and the New Generation Church. The highlight of the evening was a performance by the combined choir of our two primary schools, who sang beautifully. Thank you to everyone who was involved in or attended the service.

# Headstone Safety Testing: COMPLETE

We have now completed our annual headstone safety testing operations at our cemeteries.

Unfortunately, a small number of headstones have been found to require urgent attention and have been marked with red/white warning tape. Where next of kin details are known, the council has written letters detailing the work that needs to be undertaken to make the headstones safe.

An advisory notice has also been displayed in the cemetery noticeboard. If you are visiting the cemetery and find a headstone marked with warning tape please contact the council offices so that we can provide you with the necessary advice on what to do next.

If repair work is not undertaken by 19th March 2018, the council will oversee a programme of work to lay down these unstable headstones.

# SNOW PARTY CRAFT COMPETITION

Every year as part of Sedgefield Snow Party, Hardwick Primary School and Sedgefield Primary School take part in a Christmas craft challenge set by the town council.

This time, pupils were asked to make a Christmas tree in any shape or form they could imagine and the amount of creativity and hard work put in to each entry was overwhelming!

# Youth Provision UPDATE

The town council's Youth Working Group continues to work hard behind the scenes to enhance youth provision in Sedgefield.

As we have outlined in previous issues of the Extra, a crucial element of this work has been directly involving young people in making decisions about the direction we take. During the autumn, we took this to another level by agreeing a formal constitution for Sedgefield Youth Club (SYC), which will now be managed by a committee that includes young people, who will agree the priorities for the club and be able to raise funds for equipment and activities. The town council will continue to support SYC, but importantly, the residents for whom it exists will set its agenda as we go forward.

As a reminder, Sedgefield Youth Club meets every Monday in the Fletcher Room of the Parish Hall, with a session for under 11s from 6:00-7:00pm and then for those aged 11 and over from 7:00-8:00pm. Activities and equipment available on site include a Playstation 4, table tennis, tuck shop, board games and organised activities such as baking.

The great news is that we are adding to that equipment on a regular basis. We are grateful to Durham county councillors David Brown and John Robinson, who have each awarded £750 to SYC from their neighbourhood fund (£1,500 in total), which will be used to further enhance what the club can offer. The SYC committee still has vacancies, so if any young people would like to get involved in that, they will be very welcome. Please contact [natalie@sedgefieldtowncouncil.gov.uk](mailto:natalie@sedgefieldtowncouncil.gov.uk) or call 01740 621273 to find out more.

The town council supported another youth related project just before Christmas. Members of the community college's brass band and other students made their way to the Eden Drive area after school one Friday to perform Christmas carols and hand out festive treats to residents in the vicinity. The initiative was coordinated by Sedgefield Neighbourhood Policing Team.

# The Sedgefield Plan Update

At the time of printing, a public meeting will have taken place on Friday 19th January 2018 in the Parish Hall.

Look out on our website, Twitter and in the next edition of the Sedgefield Extra for the outcomes of this meeting and further updates on The Sedgefield Plan.

# Newly Co-opted Councillor - FIONA WARRAND

I have lived and worked in Sedgefield for the last 37 years.

I have also been a Guide leader for the last 18 years, and have two daughters currently attending the Guide unit in the town. I have a great interest in the youth of our town as they are our town's future, and the decisions made now affect them as well.

# Council Tax Precept 2018/2019

Over recent years there have been signification changes in local government funding and it is anticipated that further change will also be seen in coming years.

Every year, each Town and Parish Council sets a precept which is a charge that is determined locally as is added to, and collected along with, Council Tax. This precept money is then used to deliver services and amenities within that Town or Parish. In addition to this precept, many principal local authorities also provide Town and Parish Councils with further funding. Over recent years the level of funding from central government distributed via Durham County Council has reduced and this reduction is forecasted to continue over the coming years. For Sedgefield Town Council to not only continue to deliver its current services but also to continue refurbishment work in the Parish Hall, extend Sedgefield Cemetery, comply with the new General Data Protection Regulations and introduce the new National Living Wage and increased pension costs, it has been necessary to increase the precept for 2018/2019 by 5.53%. This equates to an increase of £7.58 per Band D household per annum.
